COMPANY

PROFILE

April 2024

Company Overview

Established in 2004 as a limited organization, FOZA Company is a leading Iraqi general trading and construction company focused on providing general services that meet clients' needs in the sectors of life support, office, electrical, oil field & man power supplies. Our engineering division offers a single point solution for the execution of project engineering, procurement, construction and commissioning of large contract projects in the Iraqi market. We approach every project with the goal to succeed and perform to plan, delivering the customers' goals that matching health, safety and environment principles.

In the last four years , all four founders of the company expanded their work into privet different fields, makes us now have four sectors flow into the same line gives us the flexibility and advantage to maintain quality, time, and cost-effectiveness. Oil , General Trading, Marketing and Training - Human Resources Development.

Our Mission

To be a leading trading company providing the best quality of services, acting as a true agent of development. We diligently pursue the truth and knowledge inspired by our clients, values and guided by the well trained professional staff on their respective field of activity in order to reach the Beyond Expectations' level of our partners. As an institution provides multi services to the clients, we assist in the formation of competent, creative and socially responsible leaders through our commitment to excellence in discovery, learning and service. As a catalyst of social transformation, we provide quality services that empower our company leaders and the end users as well to become agents of change.

Our Vision

To be the trading company of choice of the customers, principals, and investors through dedicated professionalism, therefore attracting the best employees.

Training & HR Development , a new adventure ..

1

During the 15 years of experience of our staff in training & HR skills development, besides, organizing conferences and workshops with international organizations and oil companies, FOZA company recently decided to take on this interesting challenge by officially licensing our company in training and developing human resources, as the company took actual steps in 2024. In this path, it was represented by the issuance of the official license by the Iraqi Registrar of Companies to practice this specialty.

2

Employee training and development programs are essential to the success of companies around the world. Our company seeks to be part of the success stories of Iraqi staff by applying work standards, increasing productivity, and improving positive work culture of Iraqi companies and ministries to be in the ranks of developed countries.

Some of Our Success Stories

Stationary Supplies **The Client: Tianjin** **Zhonghai Co.** **(2021 & 2023)**

we successfully achieved two stationary contracts with Tianjin Co. as a Chinese subcontractor for CNOOC Oil Company. Our company committed in the timeline despite the imported of seldom items in the contracts.

Rehabilitation of Trebel
point of Entry. The Client :
ITSI Company+ Qatad Al-
Bawady Co. (2005)

Amid very dangerous zone in Anbar province west Iraq, our teams succeeded to finalize construction project of Iraqi -Jordanian point of Entry by creating fast tremendous social network on the ground that enabled us to hire the prof. locals.

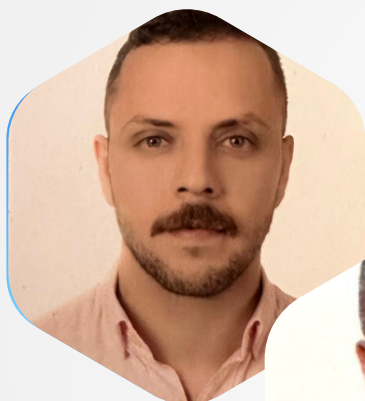

Supplying 4x4 vehicles **The Client: Iraqi** **Ministry of Industry** **(2009)**

The company imported 4x4 Nissan Patrol from Kuwait to the end user (M. of Industry) within time line in a very competitive prices .
